Some foods and beverages contain allergens such as gluten, crustaceans, egg, fish, peanuts, soybeans, nuts, milk, sulphites, celery, mustard, sesame, clams and lupin. We have analysed our recipes taking into consideration all possibilities of cross-contamination in our restaurants, and declared the allergen information as "Contains" or "May Contain" as shown below. However, we cannot be certain that any of our foods or beverages are "completely allergen free".
It is thus your responsibility as our esteemed guest to notify a manager if you or any of your party have any food allergies or intolerances before placing your order so that we can minimise any risks. We exclude liability to the maximum extent permitted by law.
This document is not intended for general distribution but is available to view in the restaurant. Information regarding allergen information provided in this document is the sole property of Alshaya Group and its brand partners. As such, this document and the information contained in it are protected by copyright infringement laws.
